

STEPS TO CREATING A SUCCESSFUL PUB NIGHT FUNDRAISER

- Contact your favourite local pub and see if they will allow you to hold a fundraiser
- Ask them how much they will charge for a burger and beer (about \$10-\$12 is the norm!)
- Set a date and book the space
- Decide on a ticket price & create tickets (include the date, and numbers to use later as a door prize draw)
- Sell the tickets to family, friends & colleagues
- Contact us to see about a possible media alert or story
- Get a door prize or any other fun things you would like to have! 50/50 draws are great!
- Donate the profits to the BC Lung Association!
